REALIZAÇÃO:

APOIO:

# Colóquio Internacional de Epistemologia e Sociologia da Ciência da Administração

- It is allowed to submit up to two papers per author or coauthor;
- We point out that each paper **must be original** and should remain so until the end of the conference; If that point was disregarded the author will not be allowed to submit any paper at the next event.
- Authors are fully responsible for the paper's originality and for correctness of its subject matter, language and formal attributes.
- The evaluation committee will judge the papers solely for their quality, limiting the selection to the appropriate number for presentation in accordance with the available time;
- We accept papers submitted in Portuguese, Spanish, English and French;
- We only will accept papers with wording and correct spelling because that will be taken as a final version.
- At the online submission the authors must include the data from all authors, as the description bellow:
  - Title
  - Indication of the subtopic to which the papers is being submitted
  - The full name of the author (s) – maximum of 4 per paper
  - Institution of origin (s) of author (s) and function that they perform (eg teacher, doctoral student, engineer, etc.);
  - Email from the authors
  - Phone and address of the institution they belong for further communication
- The articles should identify their authors on the first page (as per item 5.2); those whose authorship is identified beyond the first page will be excluded from the event. The papers shouldn't identify their authors; make sure that your article does not contain explicit or hidden identification along the text;
- **The authors with papers accepted will be notified by the Organizing Committee by February 27, 2017 and should make their registration until March 15, 2017;**
- Failure to submit the registration of at least one author until March 15, 2017 will result in the exclusion of the article from the event;
- The presentation of papers accepted at the event is mandatory, considering the

REALIZAÇÃO:

APOIO:

presence of at least one author. Authors with approved paper that does not show for the presentation will not have papers accepted in the futures events.
